

Privacy Policy

At Expert Advisor, we are committed to protecting the privacy and confidentiality of our clients. This Privacy Policy outlines how we collect, use, disclose, and safeguard the personal information you provide to us. By using our services, you agree to the terms and practices described in this policy.

Collection of Personal Information

We may collect certain personal information from you, such as your full name, address, phone number, email address, and other relevant details. This information is necessary for us to provide the services and products you request. We may also collect additional personal information, such as social security number, account number, mortgage information, and health information, depending on the nature of the services you require.

Use of Personal Information

We use the collected information for internal reference purposes only. Your data, documents, and information are securely stored for a period of seven years. We may occasionally request additional personal information from you, but we will only do so if it is necessary and relevant to fulfill your requests.

Disclosure of Personal Information

We do not sell, license, lease, or otherwise disclose your personal information to any third party or affiliate unless it is necessary to deliver the services and products you have requested. In certain cases, we may share your information with our affiliates who assist us in operating our business or providing services to you. Additionally, we may disclose your information if required by law, regulatory authorities, law enforcement agencies, or other governmental entities, or if it is necessary to protect our rights, property, or the safety of our clients.

Data Security

We employ industry-standard security measures, including encryption technologies and secure socket layer (SSL) protocols, to protect your personal, financial, and trading information. We have implemented security procedures to safeguard your data against unauthorized access, data breaches, and other potential risks. While we take reasonable steps to protect your information, please note that no data transmission or storage method can guarantee complete security.

Cookies and Tracking Technologies

We may use cookies and other tracking technologies to enhance your trading experience and collect information about your usage of our website. Cookies are small files stored on your device that provide us with information such as your access method, visited pages, and login status. These cookies are used for internal purposes only and are not shared with external parties. You have the ability to control the use of cookies through your web browser settings.

Third-Party Websites

Our website may contain links to third-party websites. Please note that we are not responsible for the privacy practices or content of these websites. We encourage you to review the privacy policies of any third-party sites you visit.

Your Rights

You have the right to request access to the personal information we have collected about you. If you would like to exercise this right or have any inquiries or concerns regarding your personal information, please contact us using the information provided at the end of this policy.

Changes to the Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or legal requirements. We will notify you of any material changes by posting the updated policy on our website.

By continuing to use our services, you acknowledge that you have read and understood this Privacy Policy and consent to the collection, use, and disclosure of your personal information as described herein.

If you have any questions or concerns about this Privacy Policy, please contact us at Expert Advisor.
